This brochure highlights the main features of the DC 33 Employee Benefits Program. It does not include all plan rules, details, limitations and exclusions. The terms of your benefit plans are governed by legal documents, including insurance contracts.

Should there be an inconsistency between this brochure and the legal plan documents, the plan documents are the final authority. DC 33 reserves the right to change or discontinue its employee benefits plans at any time.

Welcome!

WE ARE PLEASED TO PROVIDE YOU WITH DENTAL, VISION, AND BASIC & OPTIONAL TERM LIFE INSURANCE that are a vital part of your total compensation. You have the flexibility to select from benefits to keep you and your family healthy, provide financial protection in the event of an unforeseen event.

This brochure was designed to answer some of the basic questions you may have about your benefits. Please take the time to review this brochure to make sure you understand the benefits that are available to you and your family — then be sure to take action.

Eligibility

If you work at least 30 hours per week, you are eligible for benefits unless you are a School Crossing Guard. If you were hired between the 1st and the 15th of the month, your benefits are effective immediately. If you were hired between the 16th and the end of the month, your benefits will be effective on the first of the following month. You may also enroll your eligible dependents for coverage. This includes the following:

- Your legal spouse or qualified domestic partner
- Children under the age of 26, regardless of student, dependency or marital status
- Children who are past the age of 26 and are fully dependent on you for support due to a mental or physical disability

School Crossing Guards

If you were hired as a School Crossing Guard and require health benefits, you must fill out the Non-Duplication of Benefits form provided by Local 1956. Please call your local president at 215-895-3334. Do NOT contact the Health & Welfare Benefits office for eligibility information if you are a School Crossing Guard.

Qualified Life Events

Generally, you may only change your benefit elections during the Open Enrollment period. However, since life happens, you also may add or remove dependents during the year if you experience a Qualified Life Event.

HOW A HEALTH PLAN WORKS

Preventive Care – like physical exams, flu shots and screenings – is always covered 100% when you use in-network providers. The key difference between the plans is the amount of money you'll pay each pay period and when you need care.

The plans have different:

- **Annual deductible amount** – the amount you pay each year for eligible in-network and out-of-network charges before the plan begins to pay.
- **Out-of-pocket maximums** – the most you will pay each year for eligible network services including prescriptions. After you reach your out-of-pocket maximum, the plan picks up the full cost of covered medical care for the remainder of the year.
- **Copays** – A copay is a fixed amount you pay for a health care service. Copays do not count toward your deductible but do count toward your annual out-of-pocket maximum.
- **Coinsurance** – Once you've met your deductible, you and the plan share the cost of care, called coinsurance. For example, you pay 20% for services and the plan will pay
- **80% of the cost** until you have reached your out-of-pocket maximum.

Medical

Medical insurance is essential to your well-being and our medical coverage provides you and your family the protection you need for everyday health issues or when the unexpected happens.

Dental

Taking care of your oral health is not a luxury, it is a necessity for long-term optimal health. With a focus on prevention, early diagnosis and treatment, Dental insurance can greatly reduce your costs when it comes to restorative, and emergency procedures. Preventive services are covered at no cost to you and include routine exams and cleanings. You will only pay a small deductible and coinsurance for basic and major services.

Jet Dental, a professional dental team, provides periodic onsite dental services to AFSCME District Council 33 for all staff and family members. Services include comprehensive exams, preventative cleanings and x-rays at no cost (with insurance). Patients with periodontal gum disease may need a deeper cleaning (known as scaling and root-planing), which requires a co-pay. Jet Dental's professional team will review any applicable costs before performing treatment and can offer flexible payment options as needed.

Basic Term Life and Accidental Death and Dismemberment (AD&D) Insurance

DC 33 provides members with Basic Term Life Insurance coverage for a flat amount of \$20,000. Accidental Death & Dismemberment (AD&D) coverage complements your Basic Life Insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage

This coverage provides benefits beyond your life insurance for losses due to covered accidents – including while commuting, traveling by public or private transportation, and during work. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The Full Amount of the AD&D coverage is \$20,000 and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.

Optional Term Life Insurance and Supplemental Term Accidental Death & Dismemberment (AD&D)

In addition to the \$20,000 Basic Term Life Insurance provided to you by DC33, MetLife Optional Term Life Insurance provides an additional death benefit to your beneficiaries when you pass away. For this enrollment period ONLY, you may enroll in increments of \$10,000 up to \$50,000 without answering any health questions (\$20,000 minimum). If you are a newly hired or newly eligible member of DC33 who became eligible after the Open Enrollment period, you will have an opportunity to enroll in increments of \$10,000 up to \$50,000 without answering any health questions (\$20,000 minimum) at next year's Open Enrollment - effective 1/1/27.

During Open Enrollment, you may enroll with only 5 health questions for higher coverage amounts. If you are a newly hired or newly eligible member of DC33 who became eligible after the Open Enrollment period, you will also have an opportunity to enroll with only 5 health questions for higher coverage amounts in \$10,000 increments up to \$200,000 **at next year's Open Enrollment** (subject to review and underwriting approval by MetLife).

This term life insurance is an easy and budget-friendly way to get coverage. It comes with competitive pricing, convenient payroll deductions, and resources to help you determine how much coverage you might need.

The right amount of life insurance varies based on your personal situation. Think about your income, debts, dependents, and future plans. You can also use an online coverage calculator, like this one at [metlife.com/lifeneeds](https://www.metlife.com/lifeneeds).

Make sure you update your beneficiary form to ensure your beneficiaries are covered!
