

Get care away from home

When it comes to good health, there are no geographic boundaries. That's why we offer out-of-area coverage.

Get urgent care while you travel*

- If you need urgent care when traveling across the U.S., give us a call, and we'll put you in touch with a Blue Cross® Blue Shield® provider (BlueCard® provider) in your travel area, so you can have access to care wherever you are.
- Traveling abroad? You also have access to doctors and hospitals in more than 200 countries and territories around the world through Blue Cross Blue Shield Global® Core.

Get the follow-up care you need*

While you are out of your home area, you're also covered for any follow-up visits your doctor recommends with a BlueCard provider. Give us a call to find a provider near you.

*Preauthorization of care is required.
